LIFE IS OUR **INSPIRATION**

Every product SCHIEN produces is the result of meticulous assessment of our consumers' wants and wishes. We endeavor to surpass expectations that are assigned to us when unoriginal solutions have failed. In the quest of innovation, Life is our greatest inspiration.

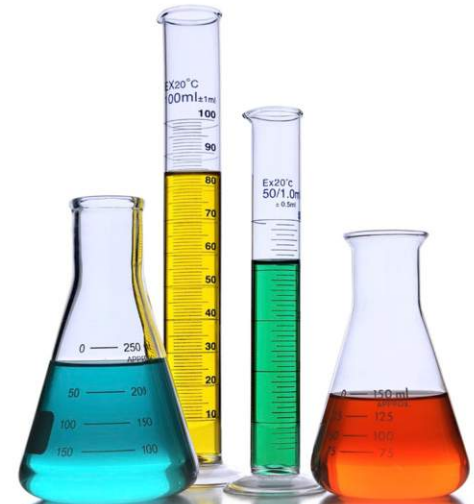

BEST OF BOTH **DOMAINS**

Modern science has assimilated vast resources of allopathic solutions faced on a mundane basis. In this context, Homeopathy and Herbal remedies attract relevance from millennials and those on the cusp of redefining our future. SCHIEN makes a conscious effort to delve deep and extract ingredients of both domains.

HISTORY AND R&D

What do you get when you combine time tested herbal remedies with 21st century medical innovations? – SCHEIN. Our state of the art facilities, located out of Munich, Germany are working determinedly to combine ancient healing techniques with new innovations from our in house R&D departments.

QUALITY CONFORMITY & **ASSURANCE**

SCHEIN's manufacturing facilities follow stringent quality controls. Starting from our own in house RMQS (Raw-Material Quality System) we ensure that our products satisfy our internal quality standards. The plant also manufactures in compliance with guidelines for Good Manufacturing Practices, ISO and the decree on German Standards. The drive to ensure our customers safety and health allow us to invest time, energy and resources that will safeguard Quality Conformance & Assurance with International and Industry Standards.
